Thank you for becoming a volunteer with the National MS Society. Bike MS is the largest fundraiser for the Mid Florida Chapter and it wouldn't be a success without great volunteers like you who help us provide the safest possible ride.

Like many other nonprofits, safety is of the utmost importance for the National MS Society. The safety is not limited to our event participants but also our volunteers. Because of the nature of Bike MS, the National MS Society requires background checks for all volunteers providing transportation, transporting goods, or driving on the event route. We contract with Hire Ease, who offers a variety of services, to run our checks. The National MS Society ONLY runs criminal and motor vehicle background checks.

The safety of your personal information is also important to us. Background checks at our organization are only handled by our Operations Director and myself. Your information is kept in a locked filing cabinet upon receipt.

If you should have any additional questions or concerns, please don't hesitate to contact me. I can be reached at 813-889-8363 or via email at Doris.Lill@nmss.org

Thank you.
